14

The Sub Registrars will be paid Rs 12/-

each per month.

9. A midwife on Rs 20/- and 2 nurses each on Rs 7/- will be appointed for each of the Registration Areas.

10. It shall be the duty of the Registrars to receive under the Epidemic Diseases Regulation, reports of all arrivals to and departures from their divisions, of sick cases reported, to control the movements of the people residing within their

jurisdiction, to take necessary action in all plague cases, to register and certify all births and deaths, and in short, to exercise all the powers now conferred upon and all the duties pertaining to the ward civil and medical officers. The Sub Registrars shall assist the Registrars in maintaining the several Registers prescribed (vide forms accompanying) and checking personally the

the information
collected by the Peons.

The midwives
shall be employed
in observing females
in Gosha families
and the Peons in
Collecting information
of events in the
several divisions.

11. It shall be
the duty of every
house owner or
head of a family
to report under the
Epidemic Diseases
Regulation at the
Registrar's office
of the Division
he

he may be residing
in all arrivals
at, departures
from, sickness,
births & deaths
that may occur
in his house or
family.

Note:— arrivals,
departures & births
should be reported
within 24 hours,
sickness & death
immediately. A
certificate of death
must be obtained
in every case of
death from the
Registrar who shall
grant it if necessary
after inspection of the
body, with as
little

little delay as possible.

12. On the first day of June and December of each year, a half yearly census of the City shall be taken in the following manner:—

Between the 25th and last day of the months preceding the 1st of June & December, census sheets (vide form accompanying) in duplicate shall be distributed to all householders.

These shall be duly

duly filled in & signed
by them, and the
original shall be
delivered to the Registrar
either at his office
or in such other
manner as may
be prescribed on
the first day of
the half year to
which the census
relates; the dupli-
cate copy shall be
kept by the house-
holder & pasted

57 17

and deaths & sick cases as per forms accompanying.

[14. To assist the Registrars in the work of segregation when necessary, in taking charge of property left in infected houses after the removal of the inmates to the camp and storing the same in a strong room and taking charge of it and for conducting prosecutions under the Epidemic Diseases Regulations

Regulations, the following Establishments will be appointed -

1 Police Officer Rs 45+15 - 40. Vide Appx-Statt

8 Constables on Rs 8/- each }

The cost of this to be met entirely from Provincial funds.

15. The Police Staff of 1 sergeant & 2 constables now employed for guarding burial grounds will, it is hoped, be done away with from the 1st April 1900

as promised by the President in his No 457 dated 3d December 1899, and watchmen appointed in their stead.

16. Regarding the cost of the proposed Establish-ments, it seems fair that the Municipality should pay, if not the whole, at least a good portion of it. Under head I of the proposition Statement, the Municipality will be

be called upon to pay the entire cost of the Medical Establishments and Contingencies amounting to Rs 200/- per mensem, the Government paying the Health Officer's allowance viz Rs 200/- as a temporary measure.

The Board would be full time Health Officer

Under Head II

the entire cost amounting to Rs 651/- will be paid out of the Municipal Funds,

x This seems to be a mistake for 616 Rs. K

Registration of Births & Deaths being a charge justly debitable to these Funds.

6/ 23.

1/5

The cost of disinfection amounting to Rs 588/- (Head III) will also be met out of Provincial funds as a temporary measure, any compensation when awarded being paid out of municipal funds.

The cost of the Epidemic Diseases Hospital will as a temporary measure be met in equal shares from municipal & Provincial funds.

The Health Officer Establishment, the

the Registrars and their Establishments & the Establishment attached to the Epidemic Diseases Hospital will be borne on the permanent list while the Disinfection and Camp Establishments will be on the temporary list.

Total	588

6. The Plague Hospital and Camp will be maintained as at present under the name of Epidemic Diseases Hospital.

7. Seven Registration offices will be established as particularised below and a Medical Registrar will be appointed in charge of each. The Registrar will usually be of the Hospital Assistant's grade not lower than 2nd class in rank. In the Divisions where Municipal dispensaries exist the medical subordinate in charge will be appointed Registrar on a consolidated monthly allowance of Rs. 20. Dispensaries will be opened in those Divisions where they do not exist at present.

Two Registration offices in No. I Division (including Malleswaram.)

The Hospital Assistant in charge of the Malleswaram dispensary will be one of the Registrars and the dispensary will be one of the Registration offices. The other office will be located in the present No. I Ward office situated near the Race Course.

Registration office in No. II Division will be located in the Old Taluk Cutcherry building where a dispensary will be newly opened.

Registration office in No. III Division will be located in the Arlepet dispensary. The medical subordinate in charge will be the Registrar.

Registration office for Nos. IV and V Divisions will be located in the Nagarthpete dispensary and the medical subordinate in charge will be the Registrar.

Registration office in No. VI Division will be near Kalaspalyam to which place the Fort dispensary has already been removed and the subordinate in charge will be appointed Registrar.

Registration office for No. VII Division will be opened either in the Basavangudi Extension or Chamrajpet, and a new dispensary opened in connection with it.

8. Under each of the Registrars, a number of Sub-Registrars will be appointed, the number varying according to the extent of the area under each jurisdiction. The sub-registrars will be distributed as follows :—

2	Sub-Registrars	—one for each of the two Registration offices	in No. I Division.
2	Ditto	ditto	for No. II Division.
2	Ditto	ditto	for No. III Division
4	Ditto	ditto	for Nos. IV & V Divisions.
2	Ditto	ditto	for No. VI Division.
2	Ditto	ditto	for No. VII Division.
14			

The Sub-Registrars will be paid Rs. 12 each per month.

9. A midwife on Rs. 20, and 2 peons each on Rs. 7, will be appointed for each of the Registration offices.

10. It shall be the duty of the Registrars to receive, under the Epidemic Diseases Regulation, reports of all arrivals to and departures from their Divisions, to see sick cases reported, to control the movements of the people residing within their jurisdiction, to take necessary action in all plague cases, to register and certify all births and deaths, and in short, to exercise all the powers now conferred upon and all the duties pertaining to the Ward, Civil and Medical Officers. The Sub-Registrars shall assist the Registrars in maintaining the several registers prescribed (*vide* forms accompanying) and checking personally the information collected by the peons.

The midwives shall be employed in observing females in gosha families and the peons in collecting information of events in the several Divisions.

11. It shall be the duty of every house owner or head of a family to report under the Epidemic Diseases Regulation at the Registrar's office of the Division he may be residing in, all arrivals at, departures from, sickness, births and deaths that may occur in his house or family.

Note.—Arrivals, departures and births should be reported within 24 hours; sickness and death immediately. A certificate of death must be obtained in every case of death from the Registrar who shall grant it, if necessary; after inspection of the body, with as little delay as possible.

General (Plague), dated 19th April 1900.

12. On the first day of June and December of each year, a half-yearly census of the City shall be taken in the following manner :—

Between the 25th and last day of the month preceding the 1st of June and December, census sheets (*vide* form accompanying) in duplicate shall be distributed to all house holders. These shall be duly filled in, signed by them, and the original shall be delivered to the Registrar, either at his office or in such other manner as may be prescribed on the first day of the half-year to which the census relates; the duplicate copy shall be kept by the house holder and pasted on some conspicuous part of his house (preferably the inside of the main door). The latter copy shall be open to inspection at any time of the day.

13. The Registrar shall maintain in his office correct registers showing particulars of people residing within his jurisdiction. These registers shall be posted every fortnight from the informations given by the house holders and that collected by the Sub-Registrars and peons. He shall also maintain a register of births and deaths and sick cases as per forms accompanying.

14. To assist the Registrars in the work of segregation when necessary, in taking mahazars of property left in infected houses after the removal of the inmates to the Camp and storing the same in a strong-room and taking charge of it and for conducting prosecutions under the Epidemic Diseases Regulations, the following establishments will be appointed.

		Rs.
1	Police Officer	45+15
8	Constables on	8 each.

The cost of this to be met entirely from Provincial Funds.

15. The Police Staff of 1 sergeant and 26 constables now employed for guarding burial grounds will, it is hoped, be done away with from the 1st April 1900, as promised by the President in his No. 457, dated 3rd December 1899, and watchmen appointed in their stead.

16. Regarding the cost of the proposed establishments, it seems fair that the Municipality should pay, if not the whole, at least a good portion of it. Under head I of the proposition statement, the Municipality will be called upon to pay the entire cost of the office establishments and contingencies amounting to Rs. 200 per mensem, the Government paying the Health Officer's allowance *viz.*, Rs. 200, as a temporary measure.

Under head II the entire cost amounting to Rs. 651 will be paid out of the Municipal Funds, registration of births and deaths being a charge properly debitable to these Funds.

The cost of disinfection amounting to Rs. 588 (head III) will also be met out of Provincial Funds as a temporary measure, any compensation when awarded being paid out of Municipal Funds.

The cost of the Epidemic Diseases Hospital will, as a temporary measure, be met in equal shares from Municipal and Provincial Funds.

The Health office establishment, the Registrars and their establishments and the establishment attached to the Epidemic Diseases Hospital will be borne on the permanent lists while the Disinfection and Camp establishments will be on the temporary list.
